

Renton Airport Advisory Committee (RAAC)

Meeting Minutes, September 11, 2012

- 5:30 PM Meeting called to order by Ulf Goranson, Committee Chair.
- Ulf called for a moment of silence in memory of 9/11.
- 5:35 PM Approval of July 24, 2012 meeting minutes
- Ben Johnson moved to approve and Robert Dempster seconded. Minutes unanimously approved.
- 5:37 PM Introductions
- Ulf introduced Doug Jacobson, Deputy PW Administrator – Transportation
- 5:40 PM Airport Business Management presented by Ryan Zulauf, Airport Manager
- Presentation, see Attachment A, Page 1 – 2
 - Discussion of Boeing increase in production from 35 currently to 42 planes per month. Lee Chicoine, North Renton asked whether something could be done to reduce engine noise created by engine runs on Apron B and other parts of the airport. Ryan responded that Boeing will continue to abide by their voluntary engine run curfew hours (summer 8 AM -11:30 AM and 1:30 PM -5:00 PM, winter 8 AM – 5 PM, Saturdays 9 AM-4 PM and Sundays noon-3 PM). Ryan also said that while there will be jet blast fences installed along each aircraft position on Apron B, there will be some additional noise in the community, but, the noise is one of the trade-offs for having thousands of family wage jobs in the community.
- (note: A KING 5 news story reported that Boeing has reduced jet noise by 90% over the years since the jet age started in Renton due to technological advances in the industry.)*
- 6:00 PM Airport Operations and Maintenance presented by Jonathan Wilson, Assistant Airport Manager
- Presentation, see Attachment A, Page 3 - 4
- 6:20 PM Airport Capital Projects presented by Ben Dahle, Airport CIP Coordinator
- Presentation, see Attachment A, Page 5
- 6:40 PM Old Business

Renton Airport

Clayton Scott Field and Will Rogers-Wiley Post Memorial Seaplane Base
616 West Perimeter Road-Unit A, Renton WA 98057 425-430-7471

- Airport Sustainability Plan – Update/Next Steps, presented by Ryan Zulauf, Airport Manager.
 - Working on final draft, then to membership for comments and approval of final draft. Upon approval by membership, will go to Council and Transportation/Aviation Committee for final approval.
 - Doug suggested including an Appendix to the Study document that references RAAC's approval.

6:50 PM New Business

- Nominations for the Vice Chair position vacated by Mike Rice.
- Performance Based Navigation. Presented by Ryan Zulauf, Airport Manager.
 - First Step - send issue to Transportation/Aviation Committee requesting referral to RAAC for comments.
 - Increase in noise over Talbot Hill from KC Sheriff helicopters.

ACTION ITEM: Airport staff will communicate noise issue to KC Sheriff pilots.
